

Adopt a Camper Program

Adopt a Camper Program is designed to help meet the needs of Ashland Residents. This program offers scholarship tuition assistance for families who qualify, helping to give the children of Ashland a chance to attend the Summer Camp Program. For more information please contact the Ashland Parks & Recreation director. 968-9209

Through the many gifts over the past four years we have been able to assist over 40 children. Thank you! We are asking you to consider making a gift to the "Adopt A Camper Program." 100% of your gift goes directly to the children. This year's goal is \$4,000, which will help us to partial sponsor up to 15 children for the summer at \$40.00 per week (Sponsored Resident Tuition for family that qualify). All surplus funds not used for the children in the summer program will be used for scholarships for the Ashland Parks & Recreation After School Program. All gifts, no matter how big or small, will be greatly appreciated and will be used specifically for this purpose.

Thank you for your consideration in helping out through your financial support for Ashland's children. Camp helps to continue Ashland's strong sense of community by creating a safe place where our kids can just be kids.

If you are unable to give your financial support, but would like to help out in other ways please call us at 968-9209.

Camp Dates / Sessions

Ashland Parks & Recreation Summer Camp Program has gone through a few changes. This year the camp is divided up into four separate sessions. These sessions are as follows:

Session 1: June 30—July 11th
(No Camp, July 4th)

Session 2: July 14th - 25th

Session 3: July 28th - August 8th

Parents are encouraged to sign up their children for specific sessions rather than week by week. This is designed to help parents plan their family vacation around the camp sessions. **Parents pay for the full session at the start of each session.**

In addition, this year the Summer Camp Program is only accepting 60 campers for each camp session. There will be a waiting list available for parents.

Please refer to the registration dates. Forms are available at the following locations:
